Note to parents: This program is an introduction to soccer, not a competitive team sports program. Children will be separated into four different groups and will rotate through four stations with games and drills using a soccer ball. While there may be 3v3 mini games at a station, they will not play a full scrimmage until the last week celebration. This is more of a social program than it is a hard core soccer program, with lots of encouragement and humor to foster a love for the sport of soccer at an early age.  
If you have any questions, please call the office 679-3435.

**We need at least four parents/adults to help run this program.** All lesson plans have been made and additional support is available. The curriculum can be emailed to you in advance of the program if you have concerns. **Please volunteer**—no experience needed.
